

Date: 8-7-2020

Dear Parents,

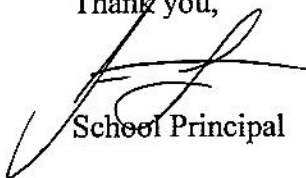

The safety of your child and our students and staff is of utmost importance as we return to school. During this school year, it is your responsibility to do the daily screening that will be relied upon by your child's school. Below is a checklist of statements you may use as a reference. **If your child exhibits any of the following signs, indicating by answering yes to the questions below, do not send your child to school. Please keep them at home and contact your healthcare provider.** This checklist must be used separately for each child attending school from your household. You can print the At Home Screening Form Daily Log to assist you from our website at (*enter website here*).

1. Are you (or your child) experiencing a new cough that you cannot attribute to another health condition? YES / NO
2. Are you (or your child) experiencing shortness of breath that you cannot attribute to another health condition? YES / NO
3. Are you (or your child) experiencing a sore throat that you cannot attribute to another health condition? YES / NO
4. Are you (or your child) experiencing a loss of smell or taste that you cannot attribute to another health condition? YES / NO
5. Do you (or your child) have a temperature at or above 100 degrees or the sense of having a fever? YES / NO
6. Within the last 14 days, have you (or has your child) had close contact, without the use of appropriate PPE, with someone who is currently sick with suspected or confirmed COVID-19? YES / NO

(Note: Close contact is defined as within 6 feet for more than 15 consecutive minutes.)

By sending your child(ren) to school, you are certifying you have screened your child that day and the answer to each of the questions above is "No."

Thank you,

School Principal

Letter to Parents regarding transportation/bus

8-7-2020

Dear Parents.

As we begin the new school year, we are working diligently to provide a safe learning environment for our students. We know that many of our students currently ride the bus to and from school each day. We will continue to provide this option. However, we do encourage anyone that has the ability to transport their own students, please do so. We are working on plans to decrease the numbers of students on a bus to reduce the possibility of exposure to the COVID-19.

Students that do ride the bus will be required to sit in their "assigned" seat each day. This may prove helpful in the event contact tracing becomes necessary as the result of a positive COVID-19 test at school.

We want parents to know that along with the seating charts, daily cleaning and as much social distancing as possible, we will also be increasing air flow, which will include having more windows down during the bus routes.

As always, your child's safety is our top priority. We hope that you have a wonderful summer break and we look forward to the upcoming school year.

Sincerely,

Rick Sullinger
Superintendent
