Bowlegs Public Schools is required to report incidents of failure to comply with the Compulsory Education Law. A Notice of Non-Attending form must be filed promptly with the District Attorney.

In recognition of the clear danger resulting from illicit drug and alcohol abuse and in good effort to promote the health, safety, and well-being of students, employees, and the community as a whole; the Bowlegs Board of Education has implemented a developmentally based drug and alcohol education and prevention program for grades K-12.
- B. Students are hereby notified that the use, possession, or distribution of illicit drugs, and alcohol is wrong and harmful.
- C. Standards of conduct that are applicable to all Bowlegs Public Schools' students prohibit the unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or during any of its activities.
- D. Disciplinary sanctions will be imposed on students who violate standards of conduct required by paragraph 'C' above, will be consistent with local, state, and federal laws, up to and including, probation, suspension, and expulsion, as well as referral for prosecution. Completion of an appropriate rehabilitation program may also be recommended.
- E. Information about drug and alcohol counseling and rehabilitation and re-entry programs will be made available through the Principal's office.
- F. Standards of conduct as outlined in paragraph 'C' and

disciplinary sanctions in paragraph 'D' will be part of the Notification to parents and students.

## **MEDICAL**

### **Contagious Disease:**

State Law requires that any child afflicted with a contagious disease or head lice may be prohibited from attending public, private or parochial school until such time as he/she is free from the contagious disease or head lice. Any child prohibited from attending school due to head lice shall present to the appropriate school authorities certification from a health professional or authorized representative of the State Department of Health that said child is no longer afflicted with head lice or contagious disease, before he/she will be allowed to re-enter school (70-1210.194)

### **Aids Education:**

Bowlegs Public Schools in compliance with Oklahoma State Law annually provides Acquired Immune Deficiency Syndrome (AIDS) prevention education as required by law. The curriculum is available for review. Requests for exemptions from receiving AIDS awareness instruction must be made in writing to the building principal. (70-11-103.3)

### **Policy on Dispensing Medication:**

The term "medicine" as used in this policy means "non-prescription medicine" and filled "prescription medicine." Filled prescription medicine is prescription medication contained in a prescription vial with a label which correctly states the name and address of the pharmacy, date of filling, name of patient, name of prescriber, prescription number and directions for the administrations of the medication.

Only the following personnel shall be authorized to administer medicine at school: the school Principal, or school employees who have been designated as authorized to administer medicine. A nurse employed by the County Health Department working pursuant to an agreement made between the County

Health Department and the Bowlegs Public Schools, may also administer medicine in the absence of a school principal (10-170-.1)

### **CHILD FIND**

Under the direction of the State Department of Education, the Bowlegs School District is seeking to locate and identify all handicapped persons from birth to age 21 who have not received twelve years of education. With Public Law 94-142 as guidelines, those who qualify will receive a free and appropriate education and the related services.

### **ATTENDANCE**

#### **Philosophy:**

Schools operate much like a work place. Through the teaching of citizenship and responsibility, we hope students learn that being where you are supposed to be when you are supposed to be there, and being prepared to do what you are there to do with pride, will assist you as you seek employment.

Any student with no more than 3 absences who maintains an A average in any course will be exempt from semester tests. Any student with no more than 2 absences who maintains a B average in any course will be exempt from semester tests. Any student with no more than 1 absence who maintains a C average in any course will be exempt from semester tests. **Students must be exempt in ALL classes to be exempt from all semester tests.**

### **ABSENCE**

AN ABSENCE IS AN ABSENCE, EXCUSED OR UNEXCUSED! In order to receive a passing grade, a student cannot have more than fifteen (15) absences for each semester. All absences count against the attendance requirement with the following exceptions:

The following could be considered as excused:

- Illness, substantiated by a doctor's statement
- School activities (See the ten day rule for school absences)
- Any absence of an emergency nature deemed unavoidable by the school principal. In such cases, the student and/or parent/guardian must contact the principal for a waiver of the penalty.

**Enforcement:** In accordance with Bowlegs school policy any student having more than 10 unexcused absences will be turned over to the Seminole County District attorney for possible truancy violation.

**If a student is absent from school, parents/guardians are expected to call the Principal's office as soon as possible on the day of absence.**

#### **ABSENCES DEFINED**

An excused absence permits the student to make up the work he/she missed. AN EXCUSED ABSENCE DOES NOT ERASE THE ABSENCE FROM THE ATTENDANCE RECORD. An excused absence is an absence for which a parent or guardian has signed a note to verify the student has not been at school for one of the following reasons:

1. Illness verified
2. Serious illness, or death in the immediate family
3. Emergency medical or dental (routine medical or dental appointments should be scheduled for off-school hours)
4. Absences approved in advance by the school principal. It will be the responsibility of the student to inform the Principal of such absences, which may include participation in county and state activities.
5. Authorized Religious Holidays (documentation required on file)

### **MAKE-UP WORK**

It is the student's responsibility to check with the teacher for make-up work. Students are given one day for each day absent to make up assignments. If a student fails to make-up for an absence, a zero will be recorded for work missed. Make-up work is limited to assignments given during absence of the student. Long term assignments are due on the date required or the next day in attendance after an absence. The following are examples of absences that are not excusable:

- A. Oversleeping
- B. Shopping
- C. Hunting, fishing, or other personal recreation
- D. Attendance at school events without administrative approval
- E. Employment
- F. Missing the school bus

### **ACTIVITY ABSENCES**

Any extra-curricular activity absence sponsored by and approved by the school is a "school activity." A student may miss a class period no more than 10 times per school year due to school activities.

**COLLEGE DAY ABSENCES** - Seniors may participate in 2 pre-authorized college absences per school year. Pre-authorization must be completed in writing through the counselor's office.

### **TARDINESS**

Students are expected to be on time for all classes, seated and ready to work when the bell rings. Tardiness is disruptive to the learning process and will be recorded by each individual teacher and reported to the Principal. Beginning with the third incident of tardiness in a quarter, the student will be assigned detention. Three tardies equal an absence. Any student who is tardy for more than 15 minutes in any class will be considered absent. Any additional tardies will result in additional discipline.

## TRUANCY

A student absent without the consent of his/her parent/guardian is truant. This is an unexcused absence and the student will not be re-admitted to the school unless his /her parent/guardian accompanies him/her. Truancy is a cause for disciplinary action, suspension, expulsion, or legal action.

A student is truant if he/she:

- A. Leaves school without being signed out in the Principal's office by an authorized adult listed on the enrollment form.
- B. Is absent from school without prior permission from parent/guardian.
- C. Is absent from class without permission (skipping).
- D. Obtains a pass to go to a certain place and does not report to that place.
- E. Becomes ill and goes home or stays in the restroom instead of reporting to the office.
- F. Does not attend their assigned class.
- G. Has permission to go home for lunch, becomes ill, does not return to school with no notification from parent/guardian.
- H. Comes to school but does not attend classes.

The Principal's office will make every attempt to notify parent/guardian when the student is suspected truant. **If a parent cannot be reached the sheriff's department may be notified.**

## LEAVING CAMPUS

Students are not permitted to leave campus without a permit from the Principal's office. If they must leave the school campus because of illness or any other emergency, they must sign the checkout register in the office after approval from the principal or attendance secretary. Parent permission will be obtained prior to checkout. Failure to comply with this policy will result in disciplinary review and/or action by the Principal.

Students arriving late will officially check in at the office with the school principal or attendance secretary before going to class.

#### **ATTENDANCE APPEAL SYSTEM**

Students and parent/guardian have the right to appeal a recorded absence. At the end of each semester of the current school year, an appeals committee will be formed. A request for an appeal appointment must be received in writing by the school administration at least one week in advance of the scheduled hearing date. The committee will hear the appeal concerning each student and then discuss the situation behind closed doors, rendering a decision of either Excused or Unexcused at that time. The results of the committee will be final and grades recorded during that absence would not be altered. Any appeals of decisions by the Appeals Committee must be made prior to the end of the first semester or the end of the second semester.

#### **SCHOOL SPONSORED ACTIVITIES ABSENCES**

Organizations should hold their absences from regular scheduled classes to a minimum. Each absence of this type must be approved by the Building Principal before the student or students may be taken from a class. All school sponsored absences fall under the guidelines of the Oklahoma Secondary Schools Activities Association and the "Ten (10) Day Rule" of the State Department of Education

**Note:** Students are not permitted to drive a vehicle to a school sponsored activity in which they are to participate without prior approval of the Building Principal and the Sponsor or Coach of the activity. It is the student's responsibility to make up all work missed because of any absence. This should be done in advance when possible. The Board of Education shall appoint, at the beginning of the school year, an Internal Activities Review

Committee. This committee shall be responsible for reviewing and recommending any deviation of the activities policy back to the Board of Education. A record of activity absences will be kept in the Building Principal's office.

NOTE\*\* When a group takes a trip during the school year as a reward then the NO PASS NO PLAY RULE is in effect.

### **PRIVATELY OWNED VEHICLES**

Students who drive motor vehicles to school must abide by the following regulations:

1. Cooperate with the professional staff of the school and to observe all traffic regulations in all school areas.
2. Lock the vehicle upon leaving it in the parking lot.
3. Do not sit in or on the vehicles – leave the parking lot as soon as the car is parked.
4. Drive the vehicle as is absolutely necessary to come to school and back home or to work.
5. Park in the assigned parking area. Student parking is restricted to the parking lot on the East side of Brooks Fieldhouse.
6. Students driving must register their vehicle in the office and receive a parking permit. The permit must be displayed on the interior rear view mirror at all times that the vehicle is on school property. The permit is only good for one vehicle at a time and one driver at a time. Anyone driving a vehicle must have the proper license. Any violation of these rules can result in the loss of driving privileges and/or the checking in of keys to the office.
7. Students will not park vehicles in driveways or on private property.

8. Vehicles will not be used during the school day and students are not to go back to them during the day without permission from the Principal.
9. In the event of an emergency, permission may be granted for the student's use of the vehicle.
10. Students participating in after school activities may not move their vehicles until all buses are gone.

**Students are permitted to park on school premises as a matter of privilege, not of right. School personnel will conduct routine patrols of student parking lots and inspections of student automobiles when on school property. The interior and exterior of a student automobile may be searched when a school authority has reason to believe that illegal or unauthorized drugs, weapons, or other contraband is within or upon the vehicle.**

**GRADING AND REPORT CARDS**

The teacher will use percentages for recording grades on the student's work assignments and tests. Percentages will also be used for recording grades in the Grade Book. Percentages grades will be translated into letter grades for reporting to parents according to the following scale:

Definition/Description	Letter Grade	Percentage
Superior Work:	A	90-100%
Above Average Work	B	80-89%
Average Work:	C	70-79%
Below Average Work:	D	60-69%
Failing:	F	59% & Below

If a student has been absent a great deal and has not fulfilled work requirements for the grading period, he/she may be given an "Incomplete" rather than an "F". The student should be told that he/she only has one week after the end of the grading period to complete assignments and change the "I" to a passing

grade. Failure to make up the work within a week will result in an "F". Report cards are sent home at the end of each semester. Parent/Teacher conferences are scheduled during each quarter or grading period.

**NOTE:** Progress reports are sent as needed. Parents/guardians may access student progress via school website.

### **GRADUATION REQUIREMENTS (HIGH SCHOOL)**

**Requirements:** Refer to Oklahoma State Department of Education for graduation requirements for the next four school years. The Building Principal or Counselor will provide each graduating year's curriculum requirements for both "College Preparatory/Work Ready Curriculum" and "Core Curriculum". Students will be required to take courses to fulfill requirements for "College Preparatory/Work Ready Curriculum" unless a parent signs and returns, to the school counselor or principal, the proper form to "opt out" of this curriculum. At that time, the student will be required to complete curriculum for "Core Curriculum".

**Beginning with the 9<sup>th</sup> grade class of 2015-2016 the graduation requirements for Bowlegs Public Schools will be a minimum of 24 units.**

The remainder of credits needed for graduation will come from electives.

Students successfully completing coursework at Gordon Cooper Technology Center will receive 3 or 4 credits. These will be elective credits unless the student is enrolled in a course in which math and/or science credit can be awarded. Due to the change in the school schedule, students at different grade levels will have different credit expectations. The principal or counselor will advise the student of the requirement needed for graduation.

The Valedictorian and Salutatorian of the graduating senior class are determined by averaging the grades from the first semester of the 9<sup>th</sup> grade year through the first semester of the 12<sup>th</sup> grade year using a weighted scale. For a list of weighted

classes please see the principal or counselor.

The Valedictorian and Salutatorian of the 8<sup>th</sup> grade graduating class are determined by averaging the grades from the first semester of the 7<sup>th</sup> grade through the first semester of the 8<sup>th</sup> grade using a weighted scale.

See State Department of Education's graduation requirements.

**Grade Classification for Students in Grades 9-12:**

A student must obtain the following amount of units of credit to be classified at the required grade levels. A student is not allowed to participate in any activities of a grade level which he/she does not qualify without special permission from the principal.

9<sup>th</sup> grade 0 – 6 units

10<sup>th</sup> grade minimum of 6 units

11<sup>th</sup> grade minimum of 12 units

12<sup>th</sup> grade a minimum of 18 units

**PROFICIENCY BASED PROMOTION**

Students shall have the opportunity to demonstrate proficiency in the core areas twice each year. Once before the beginning of the school term and at the end of the school term as identified in 70 O.S. 11-103.6. Refer to Bowlegs Public Schools Policy EIAE.

**SCHOLASTIC ELIGIBILITY**

**Semester Grades:**

A. If a student does not meet the minimum scholastic standard according to the Oklahoma Secondary Schools Activities Association (OSSAA) he/she will not be able to participate.

B. A student who does not meet the above minimum scholastic standard may regain eligibility by achieving passing grades in all subjects he/she is enrolled at the end of the six week period.

**Student Eligibility During a Semester:**

A. Scholastic eligibility for students will begin being checked at the end of the third week of a semester.

B. A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in at the end of a week, he/she will be placed on probation for the next one week period. If a student is still failing one or more classes at the end of the probationary one week period, he/she will be ineligible to participate during the next one week period. The ineligibility periods will begin on Monday and end on Sunday.

C. A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility with the first class of the new one week period (Monday through Sunday).

**SPECIAL PROVISIONS**

Any special provisions to scholastic eligibility will be made according to Oklahoma Secondary Schools Activities Association (OSSAA) guidelines.

**QUITTING A SPORT BEFORE THE SEASON IS OVER**

If an athlete quits a sport before the season is over or if that athlete does something to cause him/her to be dismissed from the team he/she will not be allowed to participate in practice with the other athletes for the up-coming sport until that sport season is over from which he/she quit or was dismissed. A conference with the Athletic Director, Coach, building principal and student athlete to determine eligibility will be required.

**STUDENT DISCIPLINE**

The purpose of discipline is to train, shape, and mold the student to engage in behaviors reflecting good character and self-discipline. Referrals will be handled by the Principal on an individual basis according to the severity of the offense and the appropriate level of discipline necessary to correct the target behavior.

Parents/guardians will be notified of discipline referrals through a letter sent home via mail or with the student, or a phone call. Students, parents, or guardians who desire to appeal any disciplinary action should use the chain of command as follows: classroom teacher (when appropriate), Principal, then Superintendent. All disciplinary actions and/or changes are at the discretion of the Principal.

Discipline may include, but is not limited to:

Conferences with students, parents, or guardians, in-school detention, referral to counseling, or appropriate social agency, referral to law enforcement, behavioral contract, financial restitution, restriction of, or revocation of privileges in-school suspension, and out of school suspension. Disciplinary action may be based on an assessment of the circumstances surrounding each infraction and may take into consideration the following criteria: The student's attitude, the seriousness of the offense, the effect of the offense on other students, whether the offense is physically or seems mental injurious to other people whether the incident isolated or repeated behavior and any other circumstances which may be appropriately considered.

**Pre-K – 2<sup>nd</sup> Grade:**

Each student will receive instruction in expected character and appropriate behaviors in the classroom through their teacher and the school counselor. Some forms of discipline that may be used for unacceptable behaviors are: Redirection, positive choices, time out, loss of privileges such as recess, noon detention, state academic vocabulary for reinforcement, calling parent/guardian, and referral to the office. Parents may be required to pick up their child from school if behaviors continue or are threatening to the safety of others.

**3<sup>rd</sup> – 12<sup>th</sup> Grades:**

1<sup>st</sup> Offense- Unless the offense is of a more serious nature, as judged by teacher or administrator, student will receive counseling in appropriate behaviors in hopes of preventing

further offenses. This offense will result in a warning.

2<sup>nd</sup> Offense- Students will serve at noon detention or after school detention for two consecutive days. Students may also be referred to the school counselor at this discipline step or any of the following discipline steps.

3<sup>rd</sup> Offense- One day in-school detention or noon detention or after school detention.

4<sup>th</sup> Offense- Three days in-school detention or noon detention or after school detention.

5<sup>th</sup> Offense- Seven days in-school detention or noon detention or after school detention.

6<sup>th</sup> Offense- Out of school suspension. Community service or campus beautification may be required of student as well as home based instruction.

**DURING A PERIOD OF SUSPENSION, STUDENTS ARE NOT ALLOWED TO PARTICIPATE IN OR ATTEND ANY SCHOOL ACTIVITIES AND ARE NOT ALLOWED ON THE SCHOOL CAMPUS. Fighting or physical contact, whether initiated or engaged in by a student, may be grounds for suspension. Authorities may be notified.**

### **IN SCHOOL DETENTION**

In-School Detention is an attempt to help a student by placing them in an alternative learning environment rather than suspension from school. This is an attempt to better the quality of education of all Bowlegs students and continue to instill the social skills necessary to accommodate proper social conduct and standing within the community.

Some things that may lead to being placed in ISD include but are not limited to:

1. Being disruptive in class.
2. Being unprepared for class repeatedly. (Pencil, books, paper, completed homework, etc.)
3. Any behavior that the respective principal determines inappropriate or any violation of school policy.

The rules of ISD are as follows:

1. Students will report to ISD at 8:05a.m.
2. There will be no talking or associating with other students.
3. Electronic devices of any kind are prohibited in ISD.
4. Students may have lunch in the ISD classroom with the monitor.
5. Students will complete their regular class work on time while in ISD
6. Students will obey the monitor at all times. Failure to follow the ISD rules or the monitors instructions, may result in suspension out of school or additional days added.
7. Students may not be allowed to participate in extra-curricular activities while in ISD
8. A student must attend ISD unless excused by one of the following:
  - a. Illness by doctor's note or Death of a family member (must provide proper notification and documentation)
  - b. Court appearance form signed by the judge
  - c. Absences excused by respective principal prior to the date of absence.
9. If a student has an excused absence while in ISD they must still serve out their IDS days upon return to school.
10. If a student fails to attend ISD that student may have their time in ISD increased, may be suspended from school according to the district suspension policy, or be reassigned to alternative education placement.
11. If a student is removed from ISD for any misbehavior that student will automatically be suspended from school or reassigned to alternative education placement. Regular out of school suspension rules apply once a student has been suspended from school. (See Suspension Rules)

12. If a student refuses to be placed in ISD or if the parent of a student refuses to allow the student to be placed in ISD that student may be suspended from school according to the district discipline policy or reassigned to alternative education placement.

It is our hope and intention that upon returning to the regular classroom that a student will respect their classmate's right to learn and their teacher's right to teach as well as their own right to learn. If you have any questions regarding the ISD policy please feel free to call the school at 398-4321.

#### **NOON DETENTION**

Noon detention may also be used as a form of discipline by teachers or the building Principal.

#### **AFTER SCHOOL DETENTION**

After school detention may be used as a form of discipline by the principal or the classroom teacher. The detention will be served, starting at 3:40 p.m., the day the teacher or administrator assigns. The parent will be notified.

If a student skips or misses detention for any reason other than absence from school on the day detention is to be served he/she will be assigned an additional 30 minutes of detention. If the student misses another assigned detention the student will be suspended for one to three days. If a student is absent on the day detention is to be served he/she will serve detention on the next day in attendance.

#### **OUT OF SCHOOL SUSPENSION POLICY**

Students suspended more than five days (other than weapons or drug-related suspensions) will be provided and educational plan. This plan will cover the core units (minimum English, Math, Science, Social Studies, Foreign Language, Computers and Art units as required by the State Board of Education) in which the student is currently enrolled. The

student's parent or guardian will be responsible for providing a supervised structured environment, and will monitor the students' educational progress during the suspension.

Students who are suspended will not be eligible to participate in extracurricular activities and will not be allowed to attend any school-sponsored activity.

#### **DISMISSAL FROM SCHOOL FOR DISCIPLINARY REASONS**

Only Administrators may dismiss a student from school for disciplinary reasons and then only after certain guidelines are met. A decision to suspend must be based on an incident or matter about which has been discussed with the student and the parent:

1. Has been provided statements of the provisions or specific matters allegedly violated and both student and parent must be given notice of suspension and reasons within twenty-four (24) hours.
2. Has had sufficient opportunity to express or convey to the decision making authority, his/her view or rebuttals of the alleged violation.
3. Will be notified that he/she and his/her parents have the right to appeal a suspension.

#### **REPORTING STUDENT UNDER THE INFLUENCE OR POSSESSION OF NON-INTOXICATING BEVERAGES, ALCOHOLIC BEVERAGES OR CONTROLLED DANGEROUS SUBSTANCES**

Definition- Non-intoxicating Beverages- A non-intoxicating beverage is one that has not more than  $\frac{1}{2}$  of 1% alcohol by volume and no more than 3.2% alcohol by weight.

It shall be the policy of Bowlegs Board of Education that any Teacher who has reasonable cause to suspect that a student may be under the influence or in possession of:

1. Non-intoxicating beverages

### **BUS DISCIPLINE**

Bowlegs Public School transports students by bus regularly. Bussed students are under school authority from the time they get on the bus in the morning until they get off the bus in the afternoon. Students are under the jurisdiction of the bus driver while they are riding the bus. Some simple rules to observe in riding the bus include, but are not limited to:

1. Students may be required to walk a short distance to the bus stop. School district buses are not permitted to make pick-ups or drop-offs on private property.
2. Passengers should be prompt in reporting to the bus stop. Usually a five-minute arrival before the scheduled stop is appropriate.
3. "Honk Service" or "Door Service" is not feasible. Of course, there may be days, especially during the winter that passengers seek shelter until bus arrival. In that event, passengers should be alert and prepared to board the bus at the regular stop when the bus arrives.

4. Passengers should remain seated at all times the bus is in motion. (Upon boarding the bus the students should be promptly seated. The student should also be alert and prepared to depart the bus at the appropriate stop, causing no delay.)
5. While waiting for the bus, students are encouraged to stand a safe distance from the roadway or thoroughfare until the bus has arrived at the designated stop.
6. Students shall cross ten feet in front of the bus (NEVER BEHIND). Make eye contact with the driver and wait for his/her signal to cross safely before proceeding.
7. In case of a bus accident or breakdown, passengers should be orderly and follow all directions of the driver.
8. Students wanting to ride a bus other than their regular transportation or assigned bus must bring a note from their parent/guardian and have it approved by the principal before a change in transportation can occur.
9. Students cannot be dropped off at any stop other than their assigned stop without permission from the principal
10. Parents/guardians are responsible for the cost of repairs for damaged property or injury caused by vandalism by the student.
11. Pupil misconduct on a school bus can endanger the lives of pupils, driver, and the general public. The driver shall report such incidents to the principal by using a discipline referral report. Bus discipline referrals are cumulative throughout the entire school year. The following steps will apply for bus misconduct:
  - a. 1<sup>st</sup> Offense- Unless offense is of a more serious nature, as judged by the administrator, the student will be counseled in hopes of preventing further more serious offenses.

- b. 2<sup>nd</sup> Offense- 5 days suspension from all district sponsored transportation services.
- c. 3<sup>rd</sup> Offense- 10 days suspension from all district sponsored transportation services.
